ACADEMIC CALENDAR 2026-2027

VISION OF THE DEPARTMENT

- To achieve excellence in agricultural engineering through quality education that integrates knowledge from agricultural and related engineering fields, shaping students to be professionally competent and socially responsible.

MISSION OF THE DEPARTMENT

- M1: To foster a learner-centric environment by imparting technical knowledge and skills related to agriculture
- M2: To equip the learners with a positive attitude and creative thinking to address the real-world problems in agriculture
- M3: To nurture scholars with professional ethics and human values for societal development

Message from the Head of the Department

I am happy to present the Academic Calendar for the academic year 2026–2027. This calendar provides important information regarding academic activities, examinations, technical events, and student development programs planned by the Department of Agricultural Engineering.

Our department is committed to providing quality education, practical exposure, and skill development opportunities to students. I encourage all students to actively participate in academic, technical, cultural, and extension activities for their overall growth. I wish all students a successful and productive academic year.

Dr. D. Rajkumar

Professor & Head

Department of Agricultural Engineering
