DEPARTMENT OF MECHATRONICS

VISION

To achieve excellence in Mechatronics Engineering through quality education and industry collaboration by integrating mechanical, electronics, computer, and control systems, thereby developing professionally competent, innovative, and socially responsible engineers to contribute in the field of automation, robotics, and Smart manufacturing.

MISSION

1. *To strengthen a learner-centric and industry-integrated environment by imparting technical knowledge and practical skills in Mechatronics Engineering, including automation, robotics, IoT, and intelligent systems.*
2. *To equip learners with industry-relevant tools, problem-solving abilities, and innovative thinking to address real-world engineering challenges across interdisciplinary domains*
3. *To nurture learners with professional ethics, leadership qualities, communication skills, and entrepreneurial skills ensuring lifelong learning and adaptability to evolving industrial demands.*

MESSAGE FROM HOD

It is my pleasure to present the Academic Calendar of the Department of Mechatronics Engineering at RVS Technical Campus, which outlines the academic activities and events planned throughout the year.

The Department of Mechatronics Engineering is committed to providing quality education through innovative teaching methods, practical learning, research activities, and industry interaction. We encourage students to actively participate in seminars, workshops, technical events, internships, and project activities to enhance their professional and personal skills.

I wish all the students and faculty members a successful academic year filled with learning, innovation, and achievements.

Dr.S.Narayanamoorthy
HoD-Department of MCS,
IQAC DIRECTOR
